

2024 Summer Camp Info

Join us this summer as The Treehouse will be holding a summer program from June 25th - August 16th, 2024. You may enroll in as many weeks as you wish. The Treehouse is a Waldorf-inspired Forest School and we will remain true to this approach throughout the summer. Each camp will be in our Forest Garden and include a daily oral story, free play and unique activities based on the theme. Due to COVID, we also ask that all families adhere to our [Community Code of Conduct](#) in order to respect the safety of our school community.

If you are enrolling in the Fall of 2024, this is a perfect opportunity to get your family acclimated to The Treehouse before school starts on September 3rd, 2024!

- If registering more than one child, please fill out a separate application for each child

Fiber and Nature Arts Camp: June 25th - July 19th

This will be a camp of constant creation inspired from our natural world. Students will be creating natural plant dyes to color various materials. We will be felting, weaving, making paper, and we wouldn't think of leaving out Tie-Dye! Students will spend time painting in nature, learning the fine art of watercolor painting, hand making candles and working with clay. In addition, through music, movement, and storytelling, we will further inspire the foundation of children's artistic and creative forces.

Homesteading Camp: July 22nd - August 16th

While learning how to live off the land we love, students will see how the earth and elements are here to support us. We will learn about the transformative nature of the sun by drying herbs from our garden and making sun tea. Our organic vegetable garden and budding food forest will offer food for preservation. We will have the joy of engaging with herbs and medicinal plants while making apothecary kits and homemade salves. Depending on development, students may build homes for creatures in our outdoor classroom and observe how all life is connected on the Homestead. Through all of these activities we will learn not only how Mother Earth gives to us, but how we can give back to Mother Earth.

Summer Program Changes

Our summer program has a few scheduling changes and requirements that differ from the school year:

- New Acorns must enroll for a minimum of 3 consecutive weeks and new Saplings, 2 weeks; due to the nature of little ones getting acclimated. Current Acorns and Saplings may enroll on a weekly basis of their choice.
- We have two staff meetings scheduled during summer camps: Tuesday, June 25th and Tuesday, July 23rd. We will not be offering 4:30 pm pickups for any classrooms on these dates; 3:30 pm pickup will be the latest offered. **If your schedule includes 4:30 pickup on Tuesdays, your tuition will remain the same, as student tuition covers 100% of our staff's payroll. Please mark your calendars accordingly.**

Daily Drop off Times are between 8:30 am - 9 am for all schedule options.
